Charles County Dive Rescue (CCDR) is a nonprofit organization here to serve the citizens of Charles County by providing properly trained and equipped divers to assist in underwater emergencies. Further, we strive to raise public conscience concerning safety around water and ice.

Our primary fundraiser **"VAMPIRE MANOR"** supplies funds to purchase and service equipment, as well as provide training. We have been running our haunted house for over 30 years. It has been a wild ride.

We are asking you to sign a permission slip to allow your children to participate in "Vampire Manor". We are also requiring you provide a number so you may be contacted in case of an emergency while your child is at "Vampire Manor". As a professional organization, we do not allow drugs or alcohol on-site. Please talk with your child about this. During the show, we have Police Officers on duty to provide for safety and assistance when necessary. Although not expected, accidents occasionally happen.

This year, we are aware COVID may be of concern. We are taking precautions by providing hand sanitizer stations and masks. However, please monitor your child and if they are ill, please keep them home.

By signing this agreement, you are stating you will not hold Charles County Dive Rescue, its members, affiliates, or other volunteers responsible for any injuries or illnesses that may occur to your child. We want your children to come out and have fun while participating and assisting in this worthwhile event.

Thank you.
